Global Water, Santa Cruz rate increase

I am writing to ask you to prohibit this company from raising their rates. This is already a devastated community. Five of the twelve neighbors on my block in Cobbbbleston, the nicest community in Maricopa, have in the last 3 months walked away from their homes and if this increse goes thru I am afraid many others, me included, will have no choice but to do likewise.

When do these for profit companies have to answer for their own mistakes and mis-judgements?

Sincerly,

Michael E. Donahue,

43957 W. Adpbe Cir.
